

A Child's View

The big, tall guy we looked up to.
The long strides you took in your big shoes.
A man of compassion, integrity, and love.
A good sense of humor you got from above.
You were always kind and gentle-hearted.
It saddened us all to hear you departed.
Now our minds fill with memories.
Auggie doggie and your cat Zeke.
You loved your wife, your pets, and friends too.
Dinner at your house helped your love show true.
Guarding our napkins from Auggie the pest.
Plenty food and fun, your house was the best.
We thank you for letting us spend the nights through.
You slammed the door on me once, I forgive you.
You appreciate the countryside and a well kept farm.
Barn floors so neat we could have eaten off them.
You loved to keep old equipment looking like new.
The green John Deere was your favorite to choose.
You let us drive four wheelers in dirt piles.
Your farm was the best for miles and miles.
We thank you, Herb Geiger, for being such a great guy.
We hope they have this much fun, with you in the sky.
