

Angels

All the love in this world can be found in an angel's eyes.
All the joy in this world can be found in an angel's happy cries.

All the peace in this world is from an angel's part.
All the great things that you do are from an angel's heart.
When God made you he thought of an angel for the world.

He made you love and care, and give so much more.
When God made you he thought of an angel for the earth.
He made you forgiving, and blessed the church.

When God made you, he knew I would know;
that you are an angel as pure as snow.
All the love in this world can be found in an angel's eyes.
All the joy in this world can be found in an angel's happy cries.

All the peace in this world is from an angel's part.
All the great things that you do are from an angel's heart.

By: Natalie A. Thornhill

Dedicated to Peg Custer, leader and friend.
