

This Day

Today is a day,
not unlike any other day.
That is not true.
Today is a day I remember you.

I can't help but to reminisce,
all the times we spent together.
I wish that they never had to end.
Today is a day I remember you.

Everything that we have done,
can't compare to what we will do!
Our lives are one.
I can remember you!

There is nothing I can do about it,
we'll be apart for a while...
Just remember you love me, and I you.
I remember you!

I love you!!!!

Curtis

P.S. I wrote this for you my love. I hope you like it.
